2018 Field and Urban Tracking Lessons, Seminars and Tracking Camps Calendar

2018 is shaping up to be an exciting year for beginners and experienced trackers! More tests are being offered across Alberta and elsewhere. There is a new 'Master Tracking' title available to Tracking Champions, meaning more chances to play! MIXED BREEDS are allowed in CKC tracking tests and many are earning titles from TD to Tracking Champion!

Since moving to Alberta in 2008 I have been privileged to see people become interested in tracking, obtain titles and even form new tracking clubs to offer more tests. It is a wonderful feeling to see students grow, and to make new friends. It is rewarding to have been a part of this tracking growth! My mission as a coach is to inspire and motivate. I'm committed to the continued love and growth of tracking, a non-competitive outdoor sport that attracts great people - a sport dogs of all sizes and ages enjoy and love!

Details about seminars, lessons and individual coaching are always posted on www.spiritdancetracking.ca Please visit the website frequently to keep up! Training opportunities and other fun stuff is also posted on the Spiritdance Tracking Facebook page.
